

Why Choose Full-Day Kindergarten at St. Veronica School?

The decision to send your child represents a financial sacrifice, however the investment will pay a lifetime of academic, social, and above all, spiritual benefits. Here are just a few of the reasons our parents choose to send their children to our school.

Faith-Based Education

"Reverence, Respect, and Responsibility" is more than just a slogan, it is the determining factor in all that we do. Children today face tough moral decisions early in life. We support the same Catholic values you teach your children at home.

Academic Excellence

Our students consistently score well in academic competitions, forensic competitions and on the Terra Nova standardized test. St. Veronica students begin Spanish and computers in our Pre-K classes.

Lifelong Friendships

Our students have the opportunity to pray together, to learn together, to laugh and to love. They will work on social projects that draw them closer to the community and to one another.

Fun

Whether your child enjoys sports, drama, art, music, or dance, there are many opportunities for them to pursue and grow in their interests. You'll have peace of mind knowing your child is learning in a safe, secure and nurturing environment.

St. Veronica School

Reverence, Respect, Responsibility

**Come join us for our
Open House
Sunday, January 29, 2012
At 12:00PM in the gym**
